AUTOMATION

Gulf Application Engineering and Packaging FZE (GAEP) is a Free Zone Establishment company located in Jebel Ali Free zone, Dubai, United Arab Emirates. It has been in operation since 1989. GAEP offers sales and after sales support in the Middle East and West Africa Region for the brands we represent, backed by a team of highly skilled Engineers and Product Specialists. Our main objective is to attain the highest level of customer satisfaction and to build and maintain long term business relationship with our valued customers.

GAEP is the appointed Exclusive Sales and Service representative of Nordson Adhesives (including Non-Woven), Nordson Industrial Coating Systems, Nordson Advanced Electronics and Nordson PPS.

Together with Nordson we also represents AABO IDEAL, HangOn, Alpha-Cure, STS, Intrex, Gard, Comarme, HumiSeal, Identco, Indium Corporation, Kyzen, Heller, Matthes, Seica, Canavisia, Fratelli Zucchini, Resin Designs, Universal Instruments and Kreyenborg for the Middle East and West African Region.

Domino is one of our leading products and we represent them exclusively in Saudi Arabia via SETECH.

To enhance our sales and after sales support in Saudi Arabia, SERVICES TECHNOLOGIES ESTABLISHMENT (SETECH) handles the sales activities and GAEP ARABIA follows up the after sales services.

GAEP operates in West African Market via SAFPACK, the regional office in Ivory Coast.

PACKAGING & ADHESIVE DISPENSING

NORDSON ADHESIVES

HOT-MELT - Packaging & Product Assembly

- Adhesive Dispensing Equipment and Hot Melt Machines
- Designed for application of Adhesives, Sealants and Coatings in a variety of patterns to consumer and industrial products in packaging, product assembly and non-woven.
- **Precision, reliability** and **repeatability** for a large number of applications.

NON-WOVEN

- Qualified to support high-speed converting of rolled goods for disposable hygiene products, including baby diapers, adult incontinence or feminine care products.
- Precise dispensing of **Hot-Melt Adhesives, Lotions, Perfumes, Waxes**, etc.

AUTOMATION

COMARME & LP PACKAGING

END OF THE LINE SOLUTIONS

Comarme & LP provide Automatic and Semi-Automatic end-of-line Packaging Solutions:

- Carton Forming
- Carton Sealing
- Case Packer

ATLANTA

PALLET WRAPPING MACHINES

From Manual to Fully Automatic, our Atlanta Pallet Wrappers deliver efficiency and reliability for all your wrapping needs.

- Manual Wrapping
- Semi-Automatic Wrapping
- Automatic Wrapping Station
- Automatic Arm Wrapper

INDUSTRIAL COATING

INDUSTRIAL COATING SYSTEMS

CONTAINER COATING

Leader in developing Advanced Coating, Dispensing and Curing Systems used in the Production of Beverage and Food Containers.

For more than 30 years, containers manufacturers worldwide have relied on Nordson.

POWDER COATING

Nordson offers a wide range of Spray Guns, Mobile Systems, Engineered Systems, Robot Coating and Dynamic Contouring Movers.

Venturi or HDLV (High Density, Low Velocity)

Designed for both Manual and Automatic, enables Quick Color Change.

HANGON

MASKING & HANGING SOLUTIONS

- Smart solutions for hanging, masking and handling which increase the efficiency and profitability in coating process.
- HangOn solutions can **reduce the total coating costs by up to 50%**.

AABO  IDEAL

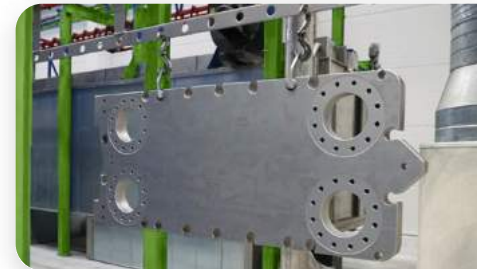

ABBO IDEAL

AUTOMATED COATING LINES

Production lines for industrial surface treatment systems (powder coating, e-coat and wet paint) with drying and curing ovens for multiple industries:

- Automotive parts
- Aluminum profiles
- Agricultural machinery
- Off-highway machinery
- Home appliance
- Indoor equipment
- Shop equipment
- Outdoor machinery & products
- Job coaters

AABO  IDEAL

STS 

STS

FIRE PROTECTION SOLUTIONS

Fire Protection Systems to protect automatic and manual electrostatic powder, wet coating systems and packaging lines.

STS 

PRINTING & LABELING

DOMINO

INDUSTRIAL PRINTERS, CODERS & MARKERS

Domino printers are commonly used in industries such as **Food and Beverage, Pharmaceuticals, Personal Care and Cosmetics, Automotive, and Electronics.**

- Continuous Inkjet Printing
- Thermal Transfer Overprinters
- Thermal Inkjet Transfer
- Large Character Printing
- Case & Pallet Labeling
- Fiber Lasers
- CO2 Lasers
- UV Lasers
- Code Verification

more details:

intrex

INTREX

LABELING SOLUTIONS & AUTOMATION

Intrex provides flexible Labeling Solutions for production lines in multiple industries such as **Food & Beverages, Cosmetics, Pharmaceuticals**, etc.

- Label Applicator
- Labeling of Round Products
- Labeling on Packaging
- Non-Stop Labeling
- Over the Edge Labeling
- Side Labeling
- Top & Bottom Labeling

intrex

INTREX EASY STACK - PALLETIZER

- Intrex also offers Palletization Automation Solutions such as Cobots for Pick & Place.

ELECTRONICS MANUFACTURING

ADVANCED TECHNOLOGIES

ADVANCED ELECTRONICS SOLUTIONS

- **Nordson EFD:** Precision Dispensing Solutions
- **Nordson TEST & INSPECTION:**
 - DAGE & METRIX: X-Ray Inspection
 - ASSURE: X-Ray High Speed Component Counter
 - BONDTESTER: Quality Control Solutions
 - SONOSCAN: Acoustic Inspection
 - YESTECH & CYBEROPTICS: Optical Inspection

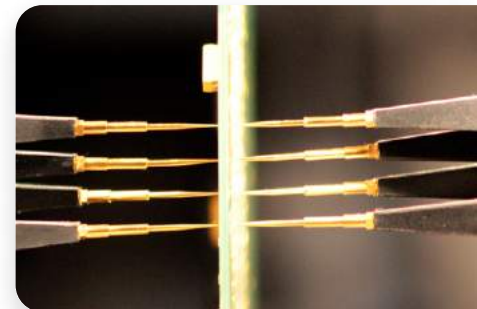

SEICA

ELECTRONICS TESTING SOLUTIONS

Testing Solutions for Electronic Boards and Modules:

- In-Circuit Testing
- Reverse Engineering
- Onboard Programming
- Functional Testing

ELECTRONICS MANUFACTURING

UNIVERSAL INSTRUMENTS

ELECTRONICS AUTOMATION SOLUTIONS

Precision Automation Solutions for the Semiconductor and Electronics Manufacturing industry.

- **Fuzion:** Precision & Odd-Form Assembly /Surface Mount
- **High Speed Wafer Feeder:** Advanced PCB Packaging
- **Flexbond:** Hot Bar Bonding

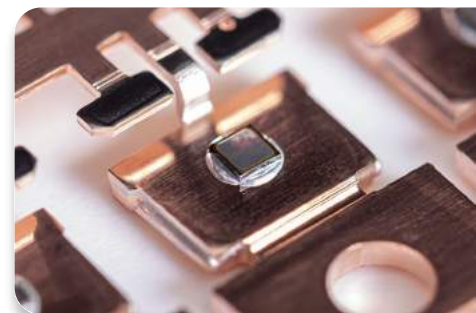

INDIUM

ELECTRONICS ASSEMBLY MATERIALS

Indium is a premier materials Refiner, Smelter, Manufacturer, and Supplier to the global Electronics, Semiconductor, Thin-Film, and Thermal Management markets.

- Solders and Fluxes
- Brazes
- Thermal Interface Materials
- Sputtering Targets
- Indium / Gallium / Germanium
- Tin metals
- Inorganic compounds
- NanoFoil®

HUMISEAL

CONFORMAL COATING

HumiSeal protects Electronic Devices in a variety of operating environments with Multiple Materials:

- Acrylics
- Urethanes
- Synthetic Rubber
- UV curables
- Adhesives Solutions
- Thinners
- Encapsulation Solutions

INDUSTRIAL CURING

HELLER

REFLOW & CURING OVENS

Heller provides Thermal Processing and Advanced Technology for PCB SMT assembly.

- Wafer Processing
- LED Manufacturing
- Automotive
- Glass & Mirror Manufacturing
- Solar
- Coatings
- Ink Drying
- Medical
- Automating Batch Heating Processes
- High Temperature Soldering
- Epoxy Curing

ALPHA CURE

UV CURING LAMP

Alpha-Cure is a leading manufacturer of medium-pressure UV curing lamps that are used by OEMs and end users globally.

- UV Lamps
- 4.0 Lamps
- IR Lamps
- LED UV
- Microwave lamps
- UV System Reflectors
- Test Strips and Labels
- Quartz Plates
- Cooling Tubes (quartz sleeves)
- Power Supplies
- UV Cassettes
- Other accessories

POLYMER PROCESSING

NORDSON PPS

EDI & BKG

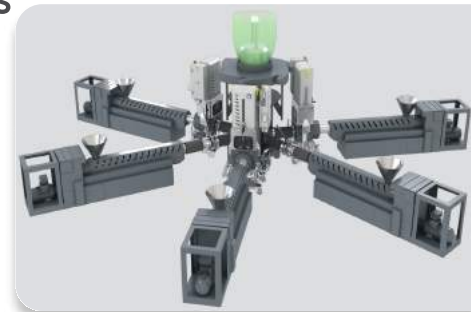

Nordson EDI: Extrusion and Fluid Coating Die Systems to enhance the performance of your polymer processes.

Nordson BKG: Gear Pumps, Melt Filters, and Polymer Valves, and Pelletizing Systems for polymer processes.

PROCESSING RECYCLATES - BKG® HiCon™ K-SWE-HD/RS

As recycling demands rise, the BKG® HiCon™ K-SWE-HD/RS **filter** stands out. Expertly designed for blown **film applications**, it ensures top-quality results while navigating the complexities of high recycled content.

KREYENBORG **

KREYENBORG

MATERIAL HANDLING SOLUTIONS

- rPET decontamination for **direct food contact packaging** (FDA & EFSA approvals)
- Odor reduction in post-consumer plastics
- Crystallization and drying of a wide variety of plastics
- Mixing | Dosing
- Storage & Conveying

KREYENBORG **

INDUSTRIAL ECO-CLEANING

GARD

ADHESIVE CLEANERS & RELEASE AGENTS

GARD products have been designed to effectively remove and prevent build-up of glue deposits and smears on adhesive application and dispensing equipment, as well as on machinery working surfaces.

They can be used with all grades of hot melt and cold adhesives.

NON-SOLVENT
BASED

Used in:

**BOTTLING/CANNING PLANTS | FOOD & BEVERAGE MANUFACTURING & PACKAGING
| NON-WOVEN PLANTS | LABELING LINES**

GARD EV60

HOT MELT EXTERNAL CLEANERS

External cleaner to remove contamination of hot melt adhesive from machinery and components.

GARD ECOCLEAN

HOT MELT NW EXTERNAL CLEANER

External cleaner to remove contamination of hot melt adhesive in the Non-Woven Industry.

GARD GREEN HMP

HOT MELT PURGING SOLUTION

Designed for purging melter tanks, hoses and guns. Used for hot melt maintenance and heavily contaminated parts.

GARDEX

HOT MELT ANTI-ADHESION
COMPOUND

Release Agent that prevents from unwanted buildup of hot melt.

RAILWAY INDUSTRY CLEANERS

GARD offers a comprehensive selection of sustainable cleaners, specifically designed for the Rail Industry and approved by Rail Manufacturers and Organizations

GARD RSC

pH NEUTRAL EXTERNAL CLEANER

NEUTRAGARD

pH NEUTRAL INTERIOR CLEANER

WS DEGREASER

WATER SPLITTING DEGREASER

GARD LSR100X

KYZEN

ELECTRONICS CLEANING SOLUTIONS

Global leader in advanced Electronics Assembly Cleaning Technologies. Kyzen Cleaning Solutions are compatible with a wide range of materials, including metals, plastics and elastomers.

- PCB Defluxing
- Immersion & Ultrasonic Cleaning

TECHNICAL SUPPORT

Service & Maintenance

- **Expert engineering** service team guidance
- Tailored problem-solving for your issues
- **On-site support** at your production line
- In-depth industry knowledge of the GCC and West Africa markets

Reliability & Optimized Performance

- Customized service contracts
 - Continuous equipment monitoring & **health check**
 - Comprehensive maintenance & **deep cleaning**
 - Commitment to detailed care and **precision support**
- Focus on **efficiency, longevity,** & performance **optimization**
- **Cost-effective** operation management

Stay ahead with GAEP

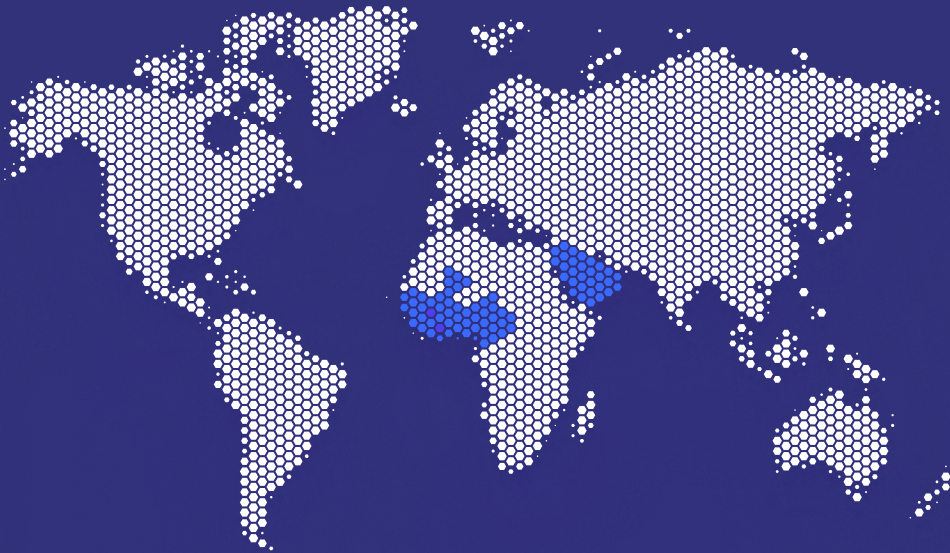

At GAEP, our sales engineer experts, who know the market thoroughly, are dedicated to guiding you toward the **best choice for your specific needs**.

By choosing our equipment, you don't just receive top-of-the-line machinery; you become a valued member of our client community. Our commitment is to your **growth and success**, providing ongoing support and insight that helps you expand and excel.

With **GAEP's cutting-edge solutions** and personalized guidance, you're not just keeping up with industry standards—you're at the forefront, **setting new benchmarks**.
